Sensitive Heart

Instructor: Prophet
Michael Grabrian

“...first the blade, then the head, after that the full grain in the head...”

No EKG, MRI, C-scan, X-ray, or echogram can detect the true condition of your heart.

What Dr. Jesus has to say about your heart and the spiritual

“elective surgery” needed to correct, change, and purify your heart to make it sensitive is the basis of this class series.

A heart prepared for God the Father, God the Son, and God the Holy Spirit is a heart that is ready for the Lord to dwell in.

The importance of understanding your own heart is paramount to walking in ministry, whatever your gift or calling. Explore the workings of your heart so that you may have a tender heart that responds to Him.
