

Workshops

“Tools of the Trade” Workshops are offered as advanced training for ministers and leaders who are in the process of building their ministry foundations.

Workshops are designed to assist minister and leaders with peer-impartment and information in areas of basic office management, organizational structuring, and preaching/teaching messages.

“Tools of the Trade” WORKSHOPS

Yes, ministry is work!

But you don't have to struggle when help is available! Sarah Family Ministries ~Ministerial Training Center provides time-tested workshops that will make your foundational building go smoother and get you on top of the game. Why not take advantage of your fellow-ministers experience and knowledge. No need to reinvent the wheel!

“Ministry is work!”
